Please keep the community of Ramona intact and included with other like-kind rural communities within the same San Diego County District. Other nearby communities like Poway, Lakeside, Santee, Alpine and Julian share similar lifestyles and needs. I have lived in San Diego County for 40 years from the coast to Ramona. Many of our communities are unique and diverse and should be celebrated not divided. I have also spent many years serving the Ramona Community. Please keep our tight-knit community together to optimize our quality of life and keep our emergency, fire resources and representation intact. Thank you for your consideration.
