I have lived in Fallbrook for 42+ years by choice. The rural lifestyle was a big attraction with a growing family and I knew this environment and all of the like area around Fallbrook just made it better. We have a connection with other rural areas such as Rainbow, Valley Center, Pauma Valley, Bonsall, No. Escondido, etc. The tribal indian villages are also a community our children go to school with and play on sports teams together across the North County Area. The un incorporated areas of North County need to remain together. We don't belong with the urban areas. Nor do we have the same interests in our lifestyle. Our voices must be heard.
