I am Eileen Delaney, Chair of the Fallbrook Planning Group. I have served on the Planning Group for over 20 years. Today I am addressing you as a private citizen. Please keep Valley Center, Fallbrook, Bonsall and other Inland North County communities (including all North County Tribal Reservations) connected to the North County Supervisory District. These communities are interconnected. We share many common North County institutions such as government agencies, health care entities, youth sports leagues and social & cultural institutions. Our fire and law enforcement are also interconnected and know the concerns and importance of our unique area, which is much different from other "regions" in San Diego County.

Thank you
Eileen Delaney
