I've lived in Escondido since 1991 and I support MAP 10. It connects the 78 corridor and the Tri-City hospital region. It recognizes the needs of incorporated and unincorporated communities. It recognizes the strong veterans presence along the 78. It maximizes API voting power in the coastal district. It values the Black/Muslim community and keeps the LGBTQ community together. It respects the South County's Latino community. Map 10 is balanced, fair and very inclusive! I urge the Commission to move forward with map 10 today.
