While I am an elected member of the Fallbrook Community Planning Group, I am addressing you as a private citizen and 10-year resident of Fallbrook. The future of Fallbrook is of great concern to me. Draft Map #7 most reflects the needs and similarities of Fallbrook and its neighboring communities of Valley Center and Bonsall, as well as the Tribal areas. Maintaining the special characteristics of these communities is important to the communities themselves, and also helps to keep them as interesting and unique places for other San Diegans to visit and enjoy. Keeping this District together will assist in this effort. Thank you for your consideration of my opinion.
