Dear Commission,

I am writing as a third generation resident of Point Loma, to strongly urge you to protect a Coastal District -- anchored in Point Loma. Our community of interest runs from Encinitas to Coronado.

My father and grandfather were tuna fishermen. I now work in tourism and rely on the ocean for my families livelihood.

We do not belong with the urban areas of San Diego like City Heights, and we definitely do not belong with East County areas like El Cajon and Spring Valley.

Please continue to respect the integrity of a Coastal District with Point Loma as the anchor.

Thank you for all your time and effort.
