My name is April Moo and I am submitting this e-comment to support the continuing to refine Draft Map 14. While none are perfect, variations of the draft map 14 best represent different community voice by Maximizing AAPI voting power in the coastal district which means keeping Mara Mesa, Rancho Penasquitos, Carmel Valley, Miramar, Linda Vista, Kearny Mesa together.
Keeping the urban area along the 78 together since they have similar issues and concerns to the County level
Maintaining the proposed PANA district with keeps the core of the Black/Muslim community of interest together and keeps the LGBTQ communities together while creating a majority minority district which reflects the demography and cultural diversity of San Diego's central region
Ensuring a majority Latino district in South County as required by the Voting Rights Act.
Keeping the Historic Barrio District together in South County
Removing Coronado and Point Loma to prevent dilution of Latino voting power in District 1
Creating an East County district that unites as many rural communities of interest as possible
