Hello,

I have lived in Lakeside/East County San Diego for over 35 years. I appreciate the hard work the commission has put in on drawing the lines for our State. I'd like to share that I believe the current draft maps for State Senate do not represent my community. The current draft maps separate many of the East County San Diego sister communities such as Lakeside, Alpine, Descanso, Jamul, Santee, Poway, Rancho San Diego, El Cajon, and Ramona. We have shared economic, social, and cultural interests and we need to be kept together. We are unincorporated communities and have more in common with small cities like El Cajon, Santee, and Poway than we do with the City of San Diego or with Desert communities such as Brawley or Needles. We should not be placed in districts with North Park, Chula Vista, Pacific Beach or University City in the City of San Diego. My community's access to fair allocation of resources and effective governance depends on your decisions. It is critical that you keep communities together to maintain local control. Thank you
