I am calling to register my support for continuing to refine Draft Map 14. While none are perfect, variations of the draft map 14 best represent different community voices by: Maximizing AAPI voting power in the coastal district. (Which means keeping Mira Mesa, Rancho Penasquitos, Carmel Valley, Miramar, Linda Vista, Kearny Mesa together).

Keeping the urban areas along the 78 together since they have similar issues and concerns at the County level  
Maintaining the proposed PANA district which keeps the core of the Black/Muslim community of interest together & keeps the LGBTQ communities together while creating a majority minority district which reflects the demography and cultural diversity of San Diego's central region.

Ensuring a majority Latino district in South County as required by the Voting Rights Act.

Keeping the Historic Barrio District together in South County

Removing Coronado and Pt. Loma to prevent dilution of Latino voting power in District 1

Creating an East County district that unites as many rural communities of interest as possible
