To The Redistricting Committee, I am opposed to any proposed redistricting map that carves out any portion of Torrey Hills out of District 1. Residents of Torrey Hills share the same school district with Carmel Valley, pay Mello Roos taxes that go to those same schools, and share similar interests with Carmel Valley. Geographically, carving Torrey Hills outside of District 1 does not make sense. Please consider not making this drastic change and splitting up the Torrey Hills community with the only neighbors we've known.
