I urge you: Do not redraw the districts in such a way to separate Lakeside and El Cajon, Alpine and Santee, Rancho San Diego and Jamul. To best represent your constituents you must listen to them. You are public servants and we call on you to do what is in our best interest. You are also accountable to God, to Whom you will surely stand before one day to answer for your choices and decisions. I urge you to be honest, upright, and fulfill your oath of office to uphold the constitution, which means leaving the freedom and power with We the People.
