Dear redistricting commission, than you for your hard work, but I need to confirm one valuable and important thing about Chaldean people and community. Chaldean people are social, hard working, and peaceful people . Please keep them in area where they can survive and be productive with other Chaldean neighborhood in East county such as Ranch San Diego and spring valley, and hamule. Please keep El Cajon with East county because their is there, there business is there, and their life is there.
