Spring Valley, Bostonia, and Rancho San Diego are EAST COUNTY. We are unincorporated rural areas with nothing in common with City Heights or the other downtown parts of San Diego. La Mesa and west El Cajon might be part of the BIPOC area but we are NOT.

You can look at the data and it will show that the refugee community is not settling in our rural neighborhoods, as they are primarily concentrated in west El Cajon and La Mesa.

East County has specific and distinct interests in terms of fire safety, schools, and our natural habitat.

YES - Maps 13a 1-6 and 13a 2-4.  
NO - Maps 13a-1, 13a-5, or 13a-6.

Looking through the other comments, the Unity Map seems like a good way to go.

Thank you.
