I am commenting on agenda item 6. I have lived in Jamul for nearly 50 years. Jamul is rural and is PART OF EAST COUNTY. We need to be with our sister communities, that have the same issues that we do, like yearly wildfires. Living in East County is not like living in the cities you are wanting to put us with. We need to be with Alpine, Santee, Ramona, Lakeside, El Cajon, Rancho San Diego, Spring Valley. Also places like Crest and Dehesa. We share the same cultural interests and economic demographics. Socially, most of us vote the same on issues we care about, and those issues are not the same as the cities you want to put us with. Please reconsider your proposed map and keep us all together. Thank you!
