Hello County of SD Independent Redistricting Commission,

I am writing in support of keeping my district intact with the local areas of North County where we all live and reside. I am in Fallbrook with friends and family in all the surrounding areas. Please leave North County as it is - map 13a - and don't change what is working. We share a lot of resources and departments as neighboring communities, so we don't understand why anyone thought it a good idea to change all of that. We're a rural community with rural needs and interests. Please respect that.

Thank you,

James Harris & Tracey Green
