I am writing today because i just finished reading the article in the SD Tribune regarding the redistricting currently underway. I would like to state for the record that those snobs in Rancho Peñasquitos, as well as in Torrey Hills ought to get over themselves and, in my opinion, suck it up and include Mira Mesa in the new redistricting map. I sure wish I knew who Nancy, the Doctor referenced in the article. She was smart not to give her last name as she would likely have lost half of the patients that are paying her salary and allowing her and her husband to live the life of riley in Torrey Hills. What self centered, elitist bull crap. Whomever this Joseph Cornwall is, he was referenced in the article as well, I have to agree with you. We obviously do not have anything in common with the folks in Torrey Hills. You see, we are not a bunch of highbrow panty waists like those in Torrey Hills, we work for a living and raise families and don't talk down to others or think that our excrement smells of roses.
