Please do not shove the urban areas of RPQ and Mira Mesa into East County. We belong in a coastal district with UCSD. We are an emerging bloc of AAPI voters with shared interests that have too long been ignored. It would be an incredible disservice by this commission to marginalize our voices yet again.

NO to maps 13a-1, 13a-5, or 13a-6.

All your other maps are acceptable but please reject those three maps.
