I am a resident of Escondido and we want County Districts that are representative of all communities. Map 14 strikes the best balance because:

1. It ensures a Latino District in South County as required by the Voting rights act. It also keeps Historic Barrio Logan with other Latino Communities.
- 2- It unites a significant number of the rural communities together so that interests and needs can be represented by one Supervisor.
- 3- It maintains what is called the PANA district, to respect Black, Muslim, and LGBTQ communities and keep them together and best protects and allows representation which reflects the diversity of our central San Diego area.
- 5-It does the best job of keeping all five urbanized North County areas of the 78 corridor (Escondido, San Marcos, Vista, Oceanside, and Carlsbad) together so that those cities can be better represented rather than diluting the city residents' interests and needs with the rural communities interests and needs, which are different.

Please approve MAP 14. Thank you.
