Thank you, Commissioners, for your dedication to arriving at a map that is as fair as possible to the many COIs who have asked that they be consolidated in one district. Please continue to refine Draft Map 14. While none are perfect, versions of draft map 14 best represent a wide variety of community voices by

- \* Maximizing AAPI voting power in the coastal district. This means keeping Mira Mesa, Rancho Penasquitos, Carmel Valley, Miramar, Linda Vista, Kearny Mesa together. All versions of Draft Map 13 take away AAPI voting power.

- \* Keeping the urban areas along the 78 together. The cities of Oceanside, Carlsbad, Vista, San Marcos, and Escondido share many issues that are addressed at the county level.

- \* Maintaining the proposed PANA district which keeps the core of the Black/Muslim COI together & keeps the LGBTQ communities together while creating a majority minority district which reflects the demography and cultural diversity of San Diego's central region

- \* Ensuring a majority Latino district in South County as required by the Voting Rights Act, and keeping Barrio Logan in the South County District.

- \* Removing Coronado and Pt. Loma to prevent dilution of Latino voting power in District 1

- \* Creating an East County district that unites as many rural COIs as possible

- \* All variations of draft map 13 disenfranchise voters in the central district in opposition to the IRC's mission and stated goals. Under draft map 13 the new BIPOC majority would be represented by the current District 2 representative and they would not have a chance to elect someone who reflects their interests for 3 years. Please continue working to make a map that is fair to these communities. Thank you.
