I am writing to register my support for continuing to refine Draft Map 14. While none are perfect, variations of the draft map 14 best represent different community voices by including the City of Carlsbad in the 78 corridor along with Oceanside, San Marcos, Escondido, Vista to ensure the City of San Diego has representation for the LGBTQ community, Asian Pacific Islanders, Black, Muslims, and Immigrant communities.

All of the variations of draft map 13 disenfranchise voters in the central district in opposition to the IRC's mission and stated goals. Under draft map 13 the new BIPOC majority would be represented by the current District 2 representative and they would not have a chance to elect someone who reflects their interests for 3 years. These variations of draft map 13 also divide the AAPI communities. The neighborhoods of Mira Mesa, Rancho Penasquitos, Carmel Valley, Miramar, Linda Vista and Kearny Mesa need to be kept together.

Although I am writing as a private citizen, I do serve on the City Council in Solana Beach and take such matters very seriously. Please continue to refine Draft Map 14.
