My name is Khadher Bouydh and I am a refugee from Iraq. Since I came to the United staes, I live in Elcajon and I love the Chaldean community here, and I loved the neighborhood of Rancho San diego. We Chaldean have suffered both religious and personal persecution and we became a minority after years of oppreson and harm, so we love to live in groups together because we need to keep our relgion and culture. we need our kids to go to Chaldean schools and youth clubs, so please keep Elcajon with East county with other Chaldean communities in Rancho San diego, Spring valley, and Santee.
