My name is khalid zoro, and I am a retired person. I lived in elcajon since I came to the united states and I loved it because it's a peaceful Chaldean community, so please keep Elcajon peaceful as its with other chaldean beighrhoods of Rancho San diego and spring valley, and let the chaldean people thrive and grow to be more productive and let them practice their religion and culture freely and don't seperate them or torn them into small parts that make them unable to live and thrive.
