eComment :

My name is Latifa Oraha, and I live in El cajon, I heard that you are trying to remove Elcajon from East county. I am chaldean and inmy late fiftes, and all my family and relatives live in either Elcajon, Rancho San diego, or spring valley, and they are helping me inmy daily life, so if you seperate me from them, I will loose my support, and die. Due accept that?
