Thank you for your time. It's vital that we keep the AAPI community together in the Coastal District. And it's vital that East County is kept together as a community of interest, including El Cajon, which is the de facto capital of East County. Here is how we solve this problem in ALL the maps:

For Map 14: Put greater El Cajon in East County (green district). Put Tierrasanta and San Carlos in the Central (purple) district.

For Map 13b: Put greater El Cajon with East County (yellow). Put San Carlos, Tierrasanta, Serra Mesa, Kearny Mesa, and half of Clairemont into the Central (green) district. Put the rest of Mira Mesa in Coastal (purple) district.

For Map13a: Put greater El Cajon in East County (green district). Put Tierrasanta and San Carlos in the Central (purple) district. Put Rancho Penasquitos and Mira Mesa in the Coastal (purple) district.
