My name is Margaret and I am a member of the Asian Solidarity Collective. I understand that there is no perfect map but I want to make sure we revisit Draft Map 14. I plead that the drafts do not compromise the COIs that have been submitted by my community members in the past month who has worked tirelessly to advocate for our community of BIPOC, Immigrants, and Refugees. Please keep the PANA district together, which comprises of City of El Cajon with City Heights, Spring Valley, Lemon Grove, La Mesa, and Paradise Hills. It also keeps the LGBTQ communities together while creating a majority-minority district that reflects the demography and cultural diversity of San Diego's central region.
