My name is Mike Markos and I am a part of the Chaldean community in El Cajon and all of East County. Please do not change the lines for east county. My family moved here from Canada 10 years ago and I love my new community. I appreciate the committees hard work to do what's right. Any plans of redistricting the city of El Cajon out of east county will greatly disrupt our communities shared beliefs and values in our livelihood and our schools. Please do not re map east county.
