Dear Commissioners,

My name is Nancy Nguyen and I am the Civic Engagement Organizer for PANA and a member of Asian Solidarity Collective. and I have been working in City Heights for 2 years. We are immigrants, refugees, or children of immigrants refugees. City Heights is mainly comprised of renters, English language learners, and large families, and many prioritize increased affordable housing, English as Second Language services, public transportation, and education access.

I am writing to you today to emphasize the importance of keeping City Heights united in one district, as well as including San Diego refugee communities together in a single Supervisorial district. As a newcomer community, the majority of us speak a primary language other than English at home, and are limited English proficient. City Heights has historically seen high numbers of refugee resettlement, relying on strong community networks for mutual aid and support.

I see myself in community with Lemon Grove, La Mesa, El Cajon, Rancho San Diego, Paradise Hills, Spring Valley, and Encanto and Skyline communities, and we define our COI as BIPOC, Immigrant & Refugee. I do not see myself in community with Santee, Alpine and Lakeside. City Heights must remain united in a single District and be included with other refugee communities throughout the county to ensure that our shared needs as BIPOC refugees and immigrants are adequately addressed by the County Board of Supervisors.

Sincerely,

Nancy
