My name is Nichole Merzi and I was born, raised and still reside in Oceanside, CA. I am a firm believer in supporting my city and community in all positive aspects that reflect the best interests of the residents. I have grown up with first-hand experience witnessing the many changes that Oceanside has gone through. My family has owned businesses in Oceanside since 1990, one of them being in the downtown area, which have been heavily involved with all the communities, including Camp Pendleton.

With all due respect, I support and urge the Commission to adopt Map 13A for District 5.
