My name is Saadi Zouri and I am Chaldean living in Elcajon. I came to the United States as a refugee, dreaming about American freedom and human rights, but it seems not like that. You are trying to seperate the Chaldean community to kill them in indirect way by seperating Elcajon from other Chaldean communities in Rancho San diego and spring valley or hamool. By doing that your are seperating Elcajon from their neighbors in Ranch, and spring valley. you are depriving them fro free practicing of their religion and culture, so please don't seperate Elcajon from other Chaldean communities in Ranch and spring valley in the East County.
