WHY MAP 14 IS MY PREFERRED VERSION!

My name is Sandra Lang

I am a resident of Escondido

- * I believe my district should unite Oceanside, San Marcos, Vista, Carlsbad, and Escondido along the 78 corridor!
- * For years Escondido and coastal North county have been lumped together with rural East County. We have nothing in common with rural East County!
- * MAP 14 will serve our communities needs sharing the same economic system, jobs, schools, healthcare, housing and Traffic!
- * North County west of the 15 has changed more than any other region in San Diego County.

Thats why I urge you to adopt MAP 14!!

Thanks for your consideration! MAP 14!!

SANDRA LANG
