Hello,

Please see information below regarding a call received. You do not need to return her call.

Date: 11/23/21

Time: 12:45pm

Name: Cathy Praamsma

Contact: [REDACTED]

Message: Would like the IRC to highly consider the people who live in the communities and not separate towns that share common ground. She loves the town that she lives in and doesn't want it split up.
