Subject: [External] MAP 13 A V 1-6 Is the best map for the needs of the county.

Map 13A V 1-6 includes the northwest areas of the county together, Unincorporated rural farmland areas, Oceanside, San Marcos, Vista, Escondido, the Valley Center Fire Protection District, same school districts and Reservations. These areas have been working together for ever and do it well. It would be **damaging** if they were seperated.

Please strongly consider Map 13A V 1-6 the BOS district map. This map keeps the Northwestern portion of the county together. The NW portion of the county has very different needs than other parts of the county. It does not make sense to do it any other way. MAP 13A V 1-6. Thank you
