Subject: [External] Question about Golden Hill
Date: Thursday, December 2, 2021 5:25:21 PM

Hello,

With apologies, on the 13A and 14 maps, whether the community of Golden Hill, which is in 92102, bounded on the south by Hwy 94, on the west by Interstate 5, on the north by A Street, and on the east by Interstate 15, is within the same county district as the neighborhood directly north, known as Greater Golden Hill and/or South Park.

I respectfully request that this neighborhood, my neighborhood, not be severed from the rest of its compact community-of-interest, Greater Golden Hill, not be divided from its contiguous open spaces, its schools, its City planning area, its business districts and parks -- all attributes of collective interest. My neighbors and I request that Golden Hill remain with the county district north of Hwy 94, a substantial 8-to-10-lane transportation boundary.

Thank you sincerely,

Tershia d'Elgin
