Hello. My name is Adnan and I live in beautiful El Cajon. I am a proud member of the 70,000 members of our Chaldean Community. My entire life is here and my family and community loves their life in east county. We moved here from Iraq to live a better life in America. Our community depends on our number and our voice to secure a safe and happy future. By breaking apart east county we will lose our community. Please keep us together and don't let me lose my representation here. Keep east county together.
