Hello, my name is Adnan and I am a Chaldean American living in El Cajon. I am a singer for my community and my church. I use music to keep you ur traditions alive in America. My community depends on our unity to represent us and our community interests. We will in El Cajon, santee, spring valley, and Rancho San Diego. Do not approve any map that divides my community. We moved here to America and to San Diego to live a better life. East county has been a secure home for my family and we need to keep our community together so we can have a bright future and pave the way for our children. Please do not separate our community by dividing east county. Keep us United. Thank you.
