I want to thank the commission for its hard work and express my appreciation that many of your draft maps keep many East County communities together, such as Lakeside, Alpine, Jamul, Santee, Ramona and Poway.

In some draft maps El Cajon, Rancho San Diego, and Spring Valley are not and have not been included in East County. Areas such as Lakeside, Ramona, Alpine and Santee, Jamul have shared economic, social, and cultural interests with El Cajon, Rancho San Diego and Spring Valley and we need to be kept together.

Map 13a v.1-6 seems to reflect many of our community comments and I support this map with adjustments to it, to make it a great map for the County by bringing El Cajon and other traditional East County communities together.

These East County communities are also largely served by the healthcare programs and medical services jointly provided by the Grossmont Healthcare District and Sharp Grossmont Hospital, including East County's only current emergency department.

Please consider keeping all of East County intact as communities of interest.

Thank you,

Barry Jantz
Retired CEO, Grossmont Healthcare District
