Please keep the Greater Golden Hill Planning area together in one district north of Rte 94/west of I-15. We recently updated our Community Plan in 2016, and have worked hard to achieving on our common goals for our community of interest. We have no parks, and no safe connection to Balboa Park. We have worked hard to protect our canyons through city, County, state and federal laws. A past split in our community planning area led to no elected official fighting for our priorities.
