Good evening, Commissioners. I am submitting a request for you to adopt Map 14 as the draft you will start with as you refine the boundaries. It does the best job in allowing communities of interest, such as AAPI, BIPOC, LGBTQ+, urban areas, and rural areas, to be together and have the strongest representation. I have been a part of Rancho Penasquitos for 18 years, and I believe my neighborhood's interests align with the surrounding neighborhoods of Mira Mesa, Carmel Valley, Kearney Mesa, Miramar, and Linda Vista. If we are divided, as Map 13 would do, I am deeply concerned that we will lose the AAPI representation that we need in San Diego. I am also concerned that other minority groups will be overlooked as the wants and needs of the majority are met. Please consider Map 14 as the starting point as you continue to refine it. Thank you.
