Hello, This is Heba Almasraf. I am a Middle Eastern from Iraq living in El Cajon since 2021. I hope that you consider keeping our East County Middle Eastern (Immigrant/Refugee) Community together and not divide us among Supervisor districts. We live in East County cities such as (El Cajon, Rancho San Diego, Santee, Lakeside, and La Mesa). These areas are places that need to be kept together. We live in East County, not because it is cheap to rent. If you compare the rent price for other cities cheaper than El Cajon. we lived here because we have an established community here. We have our churches, community stores, and social clubs. Which we do not find in any other place in San Diego. Our Middle Eastern Community shares the same culture, language, food, and interests. I am asking the IRC to keep our Middle Eastern Community together by keeping El Cajon, Rancho San Diego, Santee, Lakeside, and La Mesa in one Supervisor district. Removing El Cajon from the above-mentioned communities in East County will separate our community. Please take into your consideration the interest of our community.
