My Name is Janet. I am a long time resident of El Cajon. I have volunteered in schools and churches all over east county. My family belongs to the Chaldean Community in east county. I do not want to be separated from my community. The maps that have been presented do not fairly represent my community and it's interest. El Cajon needs to stay with east county. It does not belong with central San Diego. I am concerned my community will be misrepresented if El Cajon leaves east county. Do not allow El Cajon to be removed.
