My name is Jean Dooley and I live in Fallbrook. I write today to inform you that I support Map 13a v. 1-6 or Map 13a v.5, which puts all of Escondido, San Marcos, Vista, Oceanside, and unincorporated areas of Greater Fallbrook and modified to include tribal lands in the eastern portion of the county.

These communities have historically and continuously share EVERY important resource that keeps residents thriving - economy, healthcare services, fire and safety services, educational programs and colleges, transportation, agriculture, social and cultural ties, human services such as food programs, sports and recreation, and much more. To separate any of these communities in county supervisor elections is to dilute our voting power and ignore our cohesive and long-standing communities of interest.

I urge you to adopt a map that keeps Escondido, San Marcos, Vista, Oceanside, and unincorporated areas of Greater Fallbrook and eastern tribal lands together.

Thank you.  
Jean
