I wanted to register my support for continuing to refine IRC Draft Map 14. While none are perfect variations of the Draft map 14 best represent different community voices by:

- Maximizing AAP I voting power in the coastal district
 - Which means keeping Mira Mesa, Rancho Penasuitos, Carmel Valley, Miramar Linda Vista & Kearney may said together
- Keeping the urban areas along the 78 together since they have similar issues and concerns at the county level
- Maintaining the proposed PANA district which keeps the core of the black Muslim community of interest together and keeps the LGBTQ communities together while grading a majority minority district which reflects the demography and cultural diversity of San Diego's central region
- Ensuring a majority Latino district
