All of the variations of IRC draft map 13 disenfranchises voters in the central district in opposition to the irc's mission and stated goals. Under draft map 13 the new BIPOC majority would be represented by the current district 2 representative and they would not have a chance to elect someone who reflects their interests for 3 years. These variations of drop 13 also divide the API communities. Is the neighborhoods of Mira Mes, Rancho Penaskitos, Carmel Valley, Miramar, Linda Vista and Kearney Mesa need to be kept together
