Although not perfect, Map 13A will provide the best representation for North County and respects the communities of interest in North County which includes our immigrant community and our Latino, AAPI, African American, Native American and LGBTQ communities as well. Community members who require services and support in rural areas like Bonsall, Pala and Fallbrook parallel to the same needs of those in Escondido, San Marcos, Vista, Oceanside. Excluding them from a single voice that is inclusive of all of these areas is not in the spirit of Voting Rights Act and does not provide an equal opportunity for honest representation.
