Dear Commissioners,

I'm writing to voice my strong support for Map 14. I serve as a Councilmember in the City of Encinitas and Map 14 is the best choice to keep our city aligned with county residents who share similar environmentally progressive values. Map 14 aligns coastal communities who will face similar infrastructure challenges with sea level rise and climate change.

I understand Map 14 is also best countywide for voters of communities of interest who have struggled for proper representation in the past. For example, Map 14 keeps AAPI communities united in Mira Mesa, Rancho Penasquitos, Carmel Valley, Linda Vista, Miramar and Kerney Mesa. Map 14 also best accounts for creating a central district for BIPOC and LGBTQ San Diegans within D4. I understand District 1 preserves the important majority of Latino communities that is critical to electing a voice that properly represents this huge element of our county identity. Thank you for your thoughtful consideration.

Kindly,

Kellie Hinze

Councilmember, City of Encinitas
