My name is Khue Tran and I am a member of Asian Solidarity Collective. I have lived in Mira Mesa for 3 years, and moved down to San Diego in 2012. Mira Mesa, as well as Convoy and Kearny Mesa, have kept me close to my culture through people and food.

I am in support of continuing to refine Draft Map 14. Most variations of Map 14 reflect a range of community interests. We want to ensure that any variations do not compromise the COIs that have been submitted in the past months by community members and diverse organizations who have expressed the following:

Maximizing AAPI voting power in the coastal district by keeping Mira Mesa, Rancho Penasquitos, Carmel Valley, Miramar, Linda Vista, Kearny Mesa together as our community has shared experiences, needs, and has been historically silenced.

Maintaining the proposed PANA district which keeps the core of BIPOC, Immigrant and Refugee community of interest together by uniting the City of El Cajon with City Heights, Spring Valley, Lemon Grove, La Mesa and Paradise Hills. It also keeps the LGBTQ communities together while creating a majority minority district which reflects the demography and cultural diversity of San Diego's central region.
