Please keep East County intact as it is. The communities of Mt Helix, El Cajon, Casa de Oro, and Rancho San Diego need to stay together. A lot of work has been done over the last several years to build rapport and trust with our elected officials in these areas including our County Board Supervisor, Joel Anderson's office, our local mayors and school board trustees. These entrusted public servants understand our communities best and continue to have our best interests at heart while representing ALL of their jurisdictions and the unique points of view they hold. Thank you.
