My name is Molly Sylvester. I am a board member of the NMA, small business owner and a resident of El Cajon for over 35 years. I am against separating El Cajon and other East County areas from the current district to map. There were no significant changes in population in district 2 to justify this change. We are a community that is united through similar beliefs, values and principles. It is unfair to separate this united voice. I urge you to keep East County and certain parts of North County United in district 2. Thank you for being of service.
