Hello Commissioners,

My name is Rami Ibrahim and I was born and raised in San Diego. I come from a Catholic Arab family, most of whom live in El Cajon and Rancho San Diego.

The Arab community, and Arab Catholic community in El Cajon, not only identifies religiously, but most are refugees and immigrants as well. The priorities of my community are very similar to those of other refugee and immigrant communities across the county, from City Heights to El Cajon. It is very clear that partisan interests are mobilizing tonight with the Chaldean community and are using community divisions, islamophobia, and racism to split our communities.

I support the map PANA submitted and Draft Map 14, as it most accurately reflects the support networks of our community.

Thank you.
