My love and respect represented by its wonderful and guest free people therefore as thanksgiving I have been assimilated to the norms and culture of this country. I live at the local community of El Cajon, East County.

Good evening to all the respected Board Members.

In advance, we thank you for your participations and especially for being here, and we also have faith in your wisdom for taking the right decision as you take into consideration the opinions and concerns, built on facts, of all who live in this wonderful community, working to serve them for their best interests and the interests of their children and generations, as the servants of servants.
